Last updated: January 14, 2025

1. General Overview

This offer is valid for a limited time and provides a 50% discount on website development services provided by Fullsolid. By participating in this promotion, you agree to the following terms and conditions.

2. Eligibility

This offer is available to new clients only. The discount applies to website development services as outlined in the Starter, Professional, and Premium plans. Custom projects outside these plans may qualify for a discount of up to 50%, depending on the scope and requirements of the project (to be discussed during consultation).

3. Promotion Period

The New Year Discount offer is valid from December 24, 2024 to January 31, 2025. All agreements for website services must be finalized, and deposits paid, to qualify for the discount.

4. Scope of Services

The 50% discount applies only to the cost of website design and development as per the chosen plan. The offer does not include costs related to:

- Custom add-ons or extra functionalities.
- Hosting fees beyond the first free year.
- Domain registration or renewal costs.

5. Payment Terms

A 50% deposit is required to confirm your project and secure the discount. The remaining balance must be paid upon project completion before the website is launched.

6. Free Hosting Terms

Free hosting is provided for the first year only. Hosting services will automatically renew after the first year at a cost of \$10/month, unless otherwise canceled or agreed upon. Hosting for custom development projects may exceed the standard \$10/month rate due to specific resource requirements or advanced functionalities. Clients are responsible for canceling hosting services if they do not wish to continue after the free period.

7. Domain Registration

Domain name registration is not included in the offer unless explicitly stated. Fullsolid can assist clients with domain registration at an additional cost, starting at \$15/year.

8. Timeline and Delivery

The estimated timeline for project completion will be agreed upon during the consultation. Delays caused by the client, such as late submission of materials or approvals, may impact the delivery date and are not covered under this promotion.

9. Refunds and Cancellations

Deposits are non-refundable once the project has commenced. If the client chooses to cancel the project before development begins, they may request a refund minus any consultation or preparation costs.

10. Customization and Revisions

Revisions to the design or functionality must be explicitly agreed upon during the consultation process. By default, no design revisions are included once the project has commenced. Additional revisions or changes outside the agreed scope may incur extra charges.

11. Limitation of Liability

Fullsolid is not responsible for delays or failures caused by third-party services, including hosting providers, domain registrars, or external integrations.

12. Modification of Terms

Fullsolid reserves the right to modify or cancel this promotion at any time without prior notice. Any modifications will not affect agreements already finalized during the promotion period.
